

## **References**

As the reference of the project if we give all the names it will take a era to complete it. But we give sources or highlighted the sources as references we have to prefer some valuable book names or sources without which the project will be only a scarp. We refer the name bellow who or which saves our dream to being trash.

### **Books:**

- I. Project On VB Soma Dasgupta
- II. Mastering Visual Basic 6 Evangelos Petroutsos

### **Websites:**

- I. [www.google.com](http://www.google.com)
